

# GMI Organisation chart

Our core staff work seamlessly across the three agencies, maintaining a strong GMI Partnership identity with an open, collaborative approach to service design and delivery. Core staff roles are in direct client delivery, outreach management, research and performance management, data management, contract liaison, volunteer coordination and social media management.

GMI Partnership is also supported by staff and volunteers from our three constituent agencies. These roles support marketing, fundraising, financial services, human resources, volunteer management, governance, health and safety, safeguarding and data monitoring.
